I do not need any office supplies, mugs, or candles. I could open a store for each of those. Also please pay attention to my allergy and my dietary restrictions.

What can your classroom parents do to help you most this year. (Optional)

I am horrible at asking for help and just doing things on my own. I will spend every last dime on my class or all my time doing things for my class. Get to know me and reign me in. LOL! Seriously though the getting to know me so you know what my ever changing needs are and helping delegate the responsibilities out is the best suggestion I can give.
